

Are you looking for your next career move?

Prosper's Path to Wellness program

is a way for you to earn and learn and build a healthier community by apprenticing as a Community Health Worker (CHW). CHWs help community members connect to healthcare resources and help healthcare systems better understand community needs.

You are eligible for this program if:

- ▼ You can commit approximately 35 hours per week to this training program from April – August
- You are curious about a career related to health or technology
- ◊ You are someone that your family and friends look to for help and support
